

ACCENT

2018

The sub-compact that doesn't cut any corners.

With the all-new Accent, you can really have it all! Enjoy class-leading cargo room[†] and a wealth of features such as a standard rearview camera, available heated steering wheel and available Android Auto^{™◇} and Apple CarPlay^{™△} connectivity. Even better, you can choose between the 4-door or 5-door design, whichever best fits your style.

Bold new style.

The all-new Accent features our latest design signature, a bold “cascading grille” inspired by the flowing descent of molten steel. The more assertive front profile features newly sculpted hood lines that complement the available projection headlights with bright LED accents that guide your way.

Equipped to make cold mornings a little warmer.

Keep warm on your journeys with the available heated front seats and an available heated steering wheel. Plus, available heated side mirrors take care of one of the most frustrating parts of winter driving: having to clear your mirrors of ice and snow but without moving them out of alignment.

Convenience and space.

The 4-door model features an available hands-free Smart Trunk so you can unload a handful more conveniently, while the hatchback versatility of the 5-door model offers best-in-class cargo space[‡] for all your gear.

Safe connections.

Stay connected safely with the available Bluetooth[®] hands-free phone system and steering wheel-mounted controls to adjust your audio levels, change songs or call friends. Available Android Auto[™] and Apple CarPlay[™] make it safer to access your favourite smartphone apps, including navigation and text messages, via the available 7.0" touch-screen display.

5-door GLS model shown.

Not exactly as shown.

Available proximity key with push-button ignition

Available 7.0" touch-screen with Android Auto™ and Apple CarPlay™

Standard 5.0" touch-screen with rearview camera

The SUPERSTRUCTURE™.

At the core of the all-new Accent is the SUPERSTRUCTURE™, a state-of-the-art platform built with our very own Advanced High Strength Steel to deliver exceptional stiffness and strength. In the event of a collision, the SUPERSTRUCTURE™ helps protect occupants inside the vehicle by absorbing harmful energy and redirecting it away from the passenger compartment.

The SUPERSTRUCTURE™

Available Autonomous Emergency Braking¹

This available safety feature uses radar to detect rapidly closing speeds in relation to the vehicle ahead. If a potential forward collision is detected, audible and visual warning notifications alert the driver. If the driver does not react to avoid the impact, the system can provide full braking assistance to help avoid a potential collision.

Colours and wheels

Exterior Colours*

Aurora Black

Snow White Pearl

Silky Silver

Azure Blue

Accessories

Rubber Floor Mats

Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats. Remove carpet mats prior to installation.

Reversible Cargo Tray

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit reversible cargo tray.

Trunk Lip Protector

Help protect the paintwork on your rear bumper from scuffs and scrapes when loading and unloading cargo.

Door Pocket Clear Film

A clear protective film that lies behind the door handle to help prevent paint damage to this commonly scratched area.

Multimedia Device Holder

This multimedia device holder allows your backseat passengers to have in-seat entertainment using a mobile phone or a tablet device. Features 360° rotation to allow use in portrait or landscape layout, hands free. The included mounting bracket easily fits to the headrest and the device holder is removable when not in use.

Hyundai WarmUp System

Keep the inside of your car warm in winter months without using a drop of fuel! The Hyundai WarmUp System includes an interior cabin heater and a fully programmable display unit as well as an integrated battery charger.

Remote Engine Starter

Leaving the house on winter mornings doesn't have to be an unpleasant experience. Equip your Hyundai with a remote engine starter and get on the road in comfort.

Mud Guard Kit

Custom-fit mud guards help keep the dirt and debris of everyday driving where it belongs.
