

First-ever

ELANTRA GT N Line

2019

Exclusive N Line design.

The Elantra GT N Line sports unique high-performance design elements paired with the sleek, timeless design of the Elantra GT hatchback. At the front, the cascading grille is framed with a more aggressive bumper showcasing a distinctive silver character line. Standard LED headlights and daytime running lights provide excellent visibility and add to the striking style. At the rear, a sporty dual chrome-tipped exhaust enhances the race-inspired look.

Enhanced performance.

Tested and tuned on the Nürburgring, the Elantra GT N Line delivers a smooth ride with exceptional shock absorption and high-speed stability. Underneath the hood is a 1.6L Turbocharged GDI engine with 201 horsepower and 195 lb-ft of torque. It's paired with an available 7-speed Dual Clutch Transmission and a fully independent multi-link rear suspension for sportier driving dynamics.

Exclusive N Line 18" alloy wheels.

One look at the 18" alloy wheels is all it takes to see the motorsport roots of the new Elantra GT N Line. Larger front brakes further enhance the driving dynamics and stopping performance.

Advanced connectivity.

Every Elantra GT N Line arrives with a standard 8.0" touch-screen display with Apple CarPlay™ and Android Auto™ capabilities. Simply connect your compatible smartphone and enjoy seamless connectivity to your text messages, phone calls, apps, music and more.

First-ever ELANTRA GT N Line.

Introducing N Line – inspired by our motorsports N division, offering enhanced performance capabilities and a range of sporty design features. As the first N Line model, the Elantra GT N Line takes the sporty hatchback to the next level of eye-catching style. Enjoy a powerful 1.6L Turbocharged engine coupled with specially tuned suspension paired with larger front brakes and 18” wheels.

N Line Ultimate model shown.
May not be exactly as shown.

Inside the ELANTRA GT N Line.

Welcome to a whole new level of sportiness. Inspiration from our N motorsports division continues into the cabin. Take control of the perforated leather N Line steering wheel, sink into the heavily bolstered leather-wrapped seats, and get ready to go. The standard 6-speed manual and available 7-speed Dual Clutch Transmission shifters both feature sporty red accents and leather inserts for better grip and more feeling, perfectly designed for quick shifts. There is also a wealth of features to keep you comfortable on your journey, including standard heated front seats, a heated steering wheel and an expansive panoramic sunroof.

The SUPERSTRUCTURE.™

At the core of the Elantra GT N Line is the SUPERSTRUCTURE™, a state-of-the-art platform built with our own Advanced High-Strength Steel for exceptional rigidity and strength. In the event of a collision, the SUPERSTRUCTURE™ helps protect occupants inside the vehicle by absorbing harmful energy and redirecting it away from the passenger compartment.

The rigid composition of the SUPERSTRUCTURE™ not only delivers enhanced safety, the stronger and stiffer frame means our engineers can tune key suspension components more precisely to reach a balance between controlled handling and ride comfort.

Complementing our exceptionally strong SUPERSTRUCTURE™ is an array of available Hyundai SmartSense™ safety technologies:

Forward Collision-Avoidance Assist with Pedestrian Detection

Lane Departure Warning with Lane Keeping Assist

Driver Attention Warning

High Beam Assist

Adaptive Cruise Control with traffic stop and go

A new level of standard features

Standard LED headlights

Standard dual chrome-tipped exhaust

Standard LED tail lights

Standard 6-speed manual transmission or
available 7-speed Dual Clutch Transmission

Once set up, our available BlueLink[®] connected car system conveniently enables you to locate your vehicle, remotely start the engine for advanced warming or cooling, unlock or lock the doors, and can automatically call the emergency services in the event of an accident. Please see your dealer for full service-level details.

Features include:

✓ Remote vehicle start with climate control

✓ Remote lock/unlock

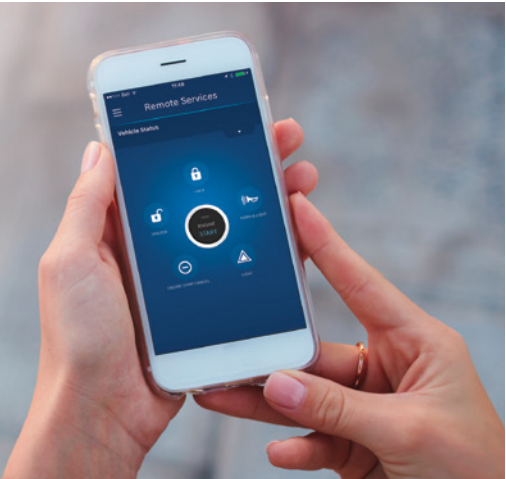

✓ Find my car

✓ SOS emergency and roadside assistance

✓ Automatic collision notification

✓ Local search

✓ Complimentary 5-year subscription on equipped models

Accessories

Multimedia Device Holder

This multimedia device holder allows your backseat passengers to have in-seat entertainment using a mobile phone or a tablet device. Features 360° rotation to allow use in portrait or landscape layout, hands free. The included mounting bracket easily fits to the headrest and the device holder is removable when not in use.

Hyundai WarmUp System

Keep the inside of your car warm in winter months without using a drop of fuel! The Hyundai WarmUp System includes an interior cabin heater and a fully programmable display unit as well as an integrated battery charger.

Premium All-Weather Floor Liners

Premium all-weather floor liners were designed to cover the interior carpet, providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

Winter Wheel & Tire Packages

Winter tires have specialized rubber and tread to handle the cold temperatures, resulting in better traction, handling and braking. Mount your tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

Chrome Mirror Cap

A striking chrome mirror cover designed specifically for your vehicle.

Cross Rails

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room.

Rear Bumper Protector Clear Film

Clear protection film easily applies to protect from scratches and scrapes while maintaining the visual appearance of your vehicle.

Plastic Hood Protector

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.
