

ACCENT

2020

The H-Factor.™

What is the H-Factor™? It means you can have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

That’s the H-Factor.™

Accent SUPERSTRUCTURE™ shown,
made with our Advanced High-Strength Steel.

You can have it all.

With the Accent, you really can have it all. The stylish hatchback design offers more space than any other vehicle in its class[‡], which means you not only have a car that is effortless to manoeuvre in tight spaces but also practical for all the things you need to bring along for the ride. The Accent also offers an impressive list of available features, including a heated steering wheel and Android Auto[™] and Apple CarPlay[™] smartphone connectivity.

Ultimate model shown.
May not be exactly as shown.

You can have it all.

ACCENT

Feature-packed.

Inside the unbelievably spacious interior, the Accent is feature-packed. Keep warm on your journeys with the available heated front seats and steering wheel, and enjoy added convenience with the available proximity keyless entry — just press a button on the front door handle to unlock the vehicle. No need to dig around for your key.

May not be exactly as shown.

Available heated front seats and heated steering wheel

Available automatic temperature control

Available proximity keyless entry with push-button ignition

Available power sunroof

Efficient and fun on every drive.

The 2020 Accent features a new, eco-efficient Smartstream G1.6 engine that generates 120 horsepower and 113 lb-ft of torque. Choose between the standard 6-speed manual transmission or our newly developed available Smartstream Intelligent Variable Transmission — designed to replicate the natural acceleration of conventional automatic shifting gears with the added benefit of greater fuel efficiency.

Stay connected safely.

With the available Bluetooth® hands-free phone system and steering wheel-mounted audio and phone controls, you can adjust your volume levels, change songs or call your family and friends all from the press of a button. The available 7.0" touch-screen with Android Auto™ and Apple CarPlay™ lets you seamlessly interact with your favourite apps, like WAZE and Spotify®, stream songs from your favourite playlist and safely send text messages with voice commands.

Bold style.

The Accent makes an entrance with sophisticated good looks, from its bold front grille to its modern bodylines. Available LED headlights and daytime running lights guide your way in style, save energy and shine farther than regular halogen lights.

Standard 5.0" touch-screen with rearview camera

Available 7.0" touch-screen display with Android Auto™ and Apple CarPlay™

Available Bluetooth® hands-free phone system

Available steering wheel-mounted audio, phone and cruise controls

Available LED headlights

Available fog lights

Available LED side repeaters

Strong to the core.

At the core of the Accent is the SUPERSTRUCTURE™, a state-of-the-art platform built with our very own Advanced High-Strength Steel to deliver exceptional stiffness and strength. In the event of a collision, the SUPERSTRUCTURE™ helps protect occupants inside the vehicle by absorbing harmful energy and redirecting it away from the passenger compartment.

The SUPERSTRUCTURE™

In addition to a strong frame, the Accent also features available Forward Collision-Avoidance Assist¹. The system uses radar to detect rapidly closing speeds in relation to the vehicle ahead. If a potential forward collision is detected, audible and visual warning notifications alert the driver. If the driver does not react to avoid the impact, the system can provide full braking assistance to help avoid a potential collision.

Available Forward Collision-Avoidance Assist

Accessories

Blue LED Footwell Light

Subtle yet sophisticated. Enhance your cabin with blue LED light that bathes the front footwell in ambient light whenever the doors are unlocked and fading out when the engine starts. Set of two.

Premium All-Weather Cargo Tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

Premium All-Weather Floor Liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long lasting premium look. Remove carpet mats prior to installation.

Plastic Hood Protector

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.
