

ELANTRA Sport

2020

A bit about us.

With Hyundai, you really can have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

Elantra Sport SUPERSTRUCTURE™ shown,
made with our Advanced High-Strength Steel.

Love to drive? Meet the ELANTRA Sport.

The Elantra Sport features a powerful Turbocharged engine and independent multi-link rear suspension for dynamic sport-tuned handling around every corner. While you feel the rush of excitement at your fingertips, you'll turn heads with the distinctive roar of the engine and sporty design featuring 18" alloy wheels and stylish LED headlights and tail lights.

Power your way
with style.

ELANTRA Sport

“Fun to drive” is an understatement.

The standard sport-tuned suspension and larger front brakes have been tuned for more responsive and precise handling capabilities. You can further elevate on-road driving dynamics and feel with the independent multi-link rear suspension.

Sport meets comfort.

Sink into the heavily bolstered leather front seats and wrap your hands around the sporty D-cut steering wheel to take control. Both are heated for added comfort on cold winter days. Further enhancing the cabin design are unique sport-inspired accents along the front dash, a black headliner, black trim details along the shifter and contrasting red accents throughout.

Standard 4-wheel disc brakes

Standard heated front seats

Standard leather sport seats with red stitching

Standard D-cut heated steering wheel

Sporty style from bumper to bumper.

The unique front-end design sets the tone with sharp body lines that frame an aggressive black-and-chrome front grille. From behind, your gaze will be fixed on the chrome twin-tipped exhaust outlet and diffuser that seamlessly integrate into the rear bumper.

Accessories

Cargo Tray

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

Premium All-Weather Floor Liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

Roof Spoiler

A custom-fit roof spoiler adds a clean yet sporty look. Comes ready to install in black (also available in primed and ready to paint).

Winter Wheel & Tire Packages

Winter tires have specialized rubber and treads to handle the cold temperatures resulting in better traction, handling and braking. Mount your tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

For more information on additional accessories, please visit hyundaicanada.com or see your dealer for details.

*Exterior and interior colour options and/or availability by model may change without notice. Choice of interior colour is dependent on model and/or exterior colour selection. Colours shown are for reference only and may vary from the actual hue. Visit hyundaicanada.com or see your dealer for details.

More power. More fun.

Sport-enhanced design cues are only the beginning. Underneath the hood, the Elantra Sport is powered by a 1.6L Turbocharged Gasoline Direct Injection four-cylinder engine generating 201 horsepower and 195 lb-ft of torque. You can match that power to either a 6-speed manual or an available 7-speed Dual Clutch Transmission with steering wheel-mounted paddle shifters.
