

# VELOSTER N

2020

# Performance driven by **passion.**

The Veloster N was built to make your heart race. It feels equally at home on the track as it does on your daily commute; experience high-performance driving in its most exhilarating form.

# What is **N**?

Born in **N**amyang,  
Honed at **N**ürburgring.

N is our high-performance brand inspired by motorsport. Every N model is the result of decades of experience from our R&D centre in Namyang, Korea and endless testing at the Nürburgring in Germany, one of the world's most demanding race tracks. Through this painstaking process, N performance, design and technology is born. Experience highly concentrated performance, in a precise package designed to elevate driver engagement to a whole new level.

# Serious power.

The 275-HP 2.0L turbocharged engine with 260 lb-ft of torque places heart-pounding power right at your foot. A six-speed manual transmission with auto rev-matching provides quicker and sportier downshifts.

Equipped with launch control, the Veloster N delivers an energizing snap that will keep you firmly planted to the back of your seat. Further enhancing the experience, a shift timing indicator alerts you to an approaching redline for peak acceleration.

# Bring on corners with N.

The Veloster N provides world-class cornering ability with an electronically controlled mechanical limited-slip differential. This system uses true torque vectoring to intelligently and precisely distribute torque where it's needed most. This increases cornering speed and reduces understeer for enhanced handling agility.

Performance **art.**

The VELOSTER N.

## N-exclusive design

The Veloster N's sporty red trim accents reflect its performance credentials. Already have your eyes on the powerful Ignite Flame red? Then those accents are switched to a sporty dark grey trim. In the front, the aggressive grille with the N badge makes a powerful statement. Standard LED headlights and daytime running lights provide excellent visibility and striking looks.

## Active sport exhaust

The Veloster N features a high-flow active sport exhaust with a variable actuator to deliver an incredible soundtrack of crackles and pops with every shift. Enjoy an unprecedented level of sound options to choose from with three unique settings.

## 19" alloy wheels with Pirelli high-performance tires

The high-performance 235/35R19 Pirelli P-Zero summer tires were engineered exclusively for the Veloster N. Wrapped around machined-finish, lightweight 19" alloys, its tread pattern and nano-composite compound were specifically tailored for optimal grip, lateral stability and stopping power.

## N-exclusive sport seats

Striking against the black interior, the Performance Blue contrast stitching and seat belts accentuate the bolstered sport seats and rest of the cockpit. Heated front seats also come standard for extra cold-weather warmth.

## N dedicated gauge cluster

The Veloster N gauge cluster features sequential shift lights to let you know when you approach the red line, so you can shift gears at the precise moment to maximize performance.

## N drive mode

The N-exclusive steering wheel puts driving performance features right at your fingertips with the dedicated N button. Choose N mode for optimal performance settings, or tailor the driving dynamics exactly to your preferences with the Custom mode. It allows you to individually select your preferred level of steering weight, engine mapping, damper firmness, exhaust sound, electronic limited-slip differential, rev-matching and stability control to customize your own drive profile. The selected settings are then stored to be recalled later at the press of a button.

# Specifications

## Veloster N standard equipment includes:

### Performance features:

- 2.0L Turbocharged Gasoline Direct Injection engine
- 6-speed manual transmission with rev-matching
- Exhaust, driver adjustable active exhaust with chrome dual tip
- Electronically controlled Limited-Slip Differential
- Electronically controlled suspension
- Drive Mode Select (Eco, Normal, Sport, N, Custom)
- Launch Control
- 19 x 8.0J alloy wheels
- P235/35R19 Pirelli summer-performance tires
- Tire mobility kit
- N-exclusive leather-wrapped sport steering wheel, heated
- Tilt-and-telescopic steering wheel
- 4.2" colour TFT cluster display
- Cruise control (steering wheel-mounted buttons)
- Power windows, driver's auto-up/down with pinch protection
- Proximity keyless entry with push-button ignition

### Interior features:

- N-exclusive gauge cluster with sequential shift lights
- N-exclusive sport seats with cloth seating surfaces with Performance Blue stitching
- 6-way manually adjustable driver's seat
- 4-way power adjustable lumbar support for driver's seat
- 4-way manually adjustable front passenger's seat
- Heated front seats
- 60/40 split-folding rear seats
- Infinity® AM/FM/SiriusXM™/MP3 audio system with 8 speakers and external amplifier
- 8.0" touch-screen with Android Auto™ and Apple CarPlay™
- Rearview camera with dynamic guidelines
- Bluetooth® hands-free phone system with voice recognition
- BlueLink® connected vehicle system<sup>Q</sup>
- Leather-wrapped shift knob with N logo
- Performance Blue stitching and accents
- Air conditioning, automatic temperature control

### Safety features:

- 6 airbags
- Anti-lock Braking System with Electronic Brake-force Distribution
- Brake Assist
- Vehicle Stability Management, Electronic Stability Control with Traction Control System

### Exterior features:

- Automatic headlights
- LED daytime running lights
- LED headlights and tail lights
- N-exclusive two-tier rear spoiler
- Dual power-adjustable heated side mirrors
- LED side mirror turn signal repeaters
- N-exclusive bumpers (front & rear)
- N-exclusive front grille
- N-exclusive side sill mouldings

### Optional:

- Matte exterior paint

## Exterior colours\*

Performance Blue

Chalk White

Phantom Black

Ignite Flame

Shooting Star (matte paint)

## Interior colours\*

Black cloth with Performance Blue accents
