

ELANTRA Hybrid

2021

A bit about us.

With Hyundai, you can really have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

ELANTRA Hybrid SUPERSTRUCTURE™ shown, made with our Advanced High-Strength Steel.

Introducing the first-ever ELANTRA Hybrid.

We've dialed up the fierce new look of the 2021 ELANTRA by adding the high-efficiency performance of a hybrid. The ELANTRA Hybrid maximizes fuel efficiency with its full-parallel hybrid drive system — it runs either on a gasoline internal combustion engine, an electric motor or both. Travel up to 955 kilometres on a single tank of gas and enjoy a best-in-class fuel economy rating of 4.4 L /100 km[^].

1.6L GDI engine

The ELANTRA Hybrid pairs a standard Smartstream 1.6L 4-cylinder engine with a 32-kW electric motor for a combined 139 horsepower and 195 lb.-ft. of torque.

Lithium-ion polymer battery

The 1.32 kWh battery is placed at the bottom of the rear seat to allow for uncompromised trunk space.

Regenerative braking system

During deceleration, kinetic energy is converted into electrical energy to charge the battery, and the charged battery is used during normal driving to improve energy efficiency.

Independent multi-link rear suspension

Upgrades like the standard multi-link independent rear suspension keep your ride smooth even on the roughest roads.

Looks that go the distance.

A striking grille seamlessly integrates into the headlight architecture. Along the sides, distinctive lines converge, giving a unique, three-dimensional look. Rounding out the bold style are a sleek-edged trunk lid and connected tail light design, adding to the confident new appearance.

Three-dimensional "Parametric Dynamic" design lines
Parametric Dynamic design lines use converging, bold character lines to deliver a unique three-dimensional presence.

Standard LED daytime running lights

Standard LED tail lights

Standard 16" alloy wheels

Elevated drive.

The cockpit-inspired, wraparound design of the ELANTRA Hybrid elevates your drive. The sleek touch-screen display is tilted 10 degrees towards the driver, giving better sightlines and access from behind the wheel. Enjoy every moment of the drive with an available power sunroof to brighten the cabin and let in a breath of fresh air.

Standard heated front seats

Standard heated steering wheel

Standard dual-zone automatic climate control

Available power sunroof

Technology to transform your drive.

Standard wireless Apple CarPlay™ and Android Auto™ smartphone connectivity lets you access your favourite mobile apps — music, maps, messages and more — seamlessly and safely through voice commands and the standard 8.0" touch-screen display. Other features to enjoy include the standard proximity key and the available wireless charging pad▼ for your smartphone.

Available 10.25" full digital instrument cluster

Standard 8.0" touch-screen display with wireless Apple CarPlay™ and Android Auto™

Standard proximity keyless entry with push-button ignition and remote start

Available wireless charging pad▼

Ultimate convenience. Ultimate connectivity.

Bluelink[®] is our connected vehicle system that is available throughout our vehicle lineup. The advanced system conveniently keeps you connected with your Hyundai via the smartphone app, and offers a suite of services at the press of a button. Visit hyundaicanada.com/bluelink or see your dealer for more information on the complete list of innovative features that Bluelink[®] puts at your fingertips.

Accessories.

Plastic hood protector

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Cargo net

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

Door pocket clear film

A clear protective film lies behind the door handle to help prevent paint damage to this commonly scratched area.

Mud guard kit

Custom-fit mud guards help keep the dirt and debris of everyday driving where it belongs.

Side visors

Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom-made for your vehicle using high-quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

Cargo tray

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

5 YEAR	100,000 km Comprehensive Limited Warranty ¹	5 YEAR	Unlimited km Roadside Assistance Program ^{1†}
5 YEAR	100,000 km Powertrain Warranty	8 YEAR	160,000 km Hybrid System ^{1††}
5 YEAR	100,000 km Emission Warranty		

One of the best-backed warranties in Canada.

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you ultimate peace of mind with a 5-year/100,000 kilometre Comprehensive Limited Warranty¹. We also provide a 5-year/Unlimited kilometre Roadside Assistance Program^{1†} featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.
