

TUCSON

2021

A bit about us.

With Hyundai, you can really have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

Tucson SUPERSTRUCTURE™ shown,
made with our Advanced High-Strength Steel.

Full of life.

The Hyundai Tucson is always ready for adventure. With innovative features to keep you connected like standard Apple CarPlay™^Δ and Android Auto™[◊] smartphone connectivity, capable performance offered with available HTRAC™ All-Wheel Drive and the choice between two engines, adventure is waiting. Let's go!

Blue skies and starry nights

The available panoramic sunroof allows you to enjoy fresh air, clear views and starry nights. Its expansive size means it spans above both front and rear passengers.

HTRAC™ All-Wheel Drive

Our available HTRAC™ All-Wheel Drive system adds even further confidence to every adventure. The innovative system is constantly monitoring multiple input signals processed over 100 times per second and will automatically redistribute wheel traction based on road conditions to help ensure control.

Find adventure in style.

The Tucson makes an impressive entrance with its athletic side character line and aggressive, wide stance. Up front, the dominant hexagonal front grille is complemented by stylish and efficient lighting technology — like the available LED headlights with High Beam Assist. The Urban Edition turns heads with features like the glossy black mesh grille and RAYS® 19" alloy wheels.

Urban Edition model

Available 19" alloy wheels

Available LED headlights
Available LED tail lights

Explore in comfort.

Capability means nothing without comfort, which is why the Tucson comes handsomely equipped with a wealth of features designed around you.

U.S. model, may not be exactly as shown.

Available heated steering wheel
Available 8-way power driver's seat
with 2-way lumbar support

Standard heated front seats
Available ventilated front seats
Available heated rear seats

Convenient technologies.

No need to search for your keys, or kick and shuffle your feet to open the rear liftgate. The available proximity key technology allows you to automatically open the available Smart Power Liftgate and unload your two hands' worth of cargo effortlessly. Load up for your next adventure with 1,754 litres of cargo space when the rear seats are folded down, or split and fold them 60/40 to accommodate longer items and your passengers. Once inside, another feature you will love for its convenience is the available Surround View Monitor that projects a 360° view around your Tucson for easy navigation in tight parking spots.

Available Smart Power Liftgate

Standard 7.0" touch-screen with Apple CarPlay™^Δ and Android Auto™[◇]
Available proximity keyless entry with push-button ignition

Available 8.0" touch-screen with navigation system and Surround View Monitor
Available dual-zone automatic temperature control

Hyundai SmartSense™

Find added peace of mind on every journey with Hyundai SmartSense™, an array of state-of-the-art safety technology offered with the 2021 Tucson. This includes standard Forward Collision-Avoidance Assist¹ to apply emergency braking if a potential frontal collision with a vehicle is detected, and standard Lane Departure Warning with Lane Keeping Assist², to help keep you safely in your lane.

Standard features:

Forward Collision-Avoidance Assist

Lane Departure Warning with Lane Keeping Assist

Available features:

Forward Collision-Avoidance Assist with Pedestrian Detection

Blind-Spot Collision Warning with Lane Change Assist

Rear Cross-Traffic Collision Warning

Adaptive Cruise Control with traffic stop and go

High Beam Assist

Driver Attention Warning

Parking Distance Warning - Reverse

Ultimate convenience. Ultimate connectivity.

Bluelink[®] is our connected vehicle system that is available throughout our vehicle lineup. The advanced system conveniently keeps you connected with your Hyundai via the smartphone app, and offers a suite of services at the press of a button. Visit hyundaicanada.com/bluelink or see your dealer for more information on the complete list of innovative features that Bluelink[®] puts at your fingertips.

Accessories.

Running boards

Getting in and out of your vehicle is easier with a set of durable running boards.

Cross rails

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room.

Trailer hitch kit

Designed to meet your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories. Kit includes the trailer hitch, ball mount and end cap.

Premium all-weather floor liners

Premium all-weather floor liners were designed to cover the interior carpet, providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

5 YEAR	100,000 km Comprehensive Limited Warranty*
5 YEAR	100,000 km Powertrain Warranty
5 YEAR	100,000 km Emission Warranty
5 YEAR	Unlimited km Roadside Assistance Program**

One of the best-backed warranties in Canada.

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you ultimate peace of mind with a 5-year/100,000 kilometre Comprehensive Limited Warranty†. We also provide a 5-year/Unlimited kilometre Roadside Assistance Program** featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. †Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. **Hyundai's 24-Hour Roadside Assistance Program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty. ††Apple CarPlay™ may not be available on all devices and may not be available in all countries or regions. Visit www.apple.com for further details and any applicable limitations. Apple and Apple CarPlay are trademarks of Apple Inc.. †Android Auto™ may not be available on all devices and may not be available in all countries or regions. Visit www.android.com for further details and any applicable limitations. Android and Android Auto are trademarks of Google Inc.. †Vehicle is equipped with the ability to access SiriusXM™ radio. Does not include subscription. The SiriusXM™ name is a trademark of SiriusXM Satellite Radio Inc.. †Available on select models only. Bluelink® includes 3 years of service without charge. The Bluelink service is available for new vehicle purchases and leases subject to the Bluelink subscription terms and conditions. Only use Bluelink and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications, and fees may vary by model and are subject to change. For more on details and limitations, visit hyundaicanada.com or your authorized Hyundai dealer. †Forward Collision-Avoidance Assist (FCA) is designed to detect vehicles that are directly in front of the vehicle. FCA will not detect all vehicles and objects. FCA will not work on winding or hilly roads, during certain weather conditions such as rain, snow, fog and any other times of limited visibility. The speed at which FCA initiates full braking depends on the type of FCA system equipped on the Tucson. FCA initiates full braking at speeds between 8 and 65 km/h (vehicle detection) if the Tucson is equipped with the FCA "camera type" system. FCA initiates full braking at speeds between 8 and 80 km/h (vehicle detection) or 8 and 70 km/h (pedestrian detection) if the Tucson is equipped with the FCA "camera and radar type" system. When equipped with pedestrian detection, FCA will not detect all pedestrians under certain conditions. See Owner's Manual for detailed descriptions of example conditions in which FCA may not detect a pedestrian. FCA is not a substitute for safe driving. Always check your surroundings when driving. See Owner's Manual for further details and limitations. †Lane Departure Warning with Lane Keeping Assist operates when vehicle speed exceeds approximately 60 km/h and only when the lane markings are clearly visible on the road and detected by the system. It will not prevent loss of control. See Owner's Manual for further details and limitations. Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.. Infinity® is a registered trademark of Harman International, Inc.. HomeLink® is a registered trademark of Johnson Controls Inc.. All other trademarks and trade names are those of their respective owners. Some images shown with special graphic effects.
