Because of you.

At Hyundai, we believe that only with you in mind will we be able to provide progress, innovation, sustainability and mobility that evolves the driving experience.

We prioritize research and development in connected and clean mobility solutions, continuing to push boundaries and challenge conventional thinking to bring you a connected experience and a sustainable vision for the future.

We are inspired to build platforms and technology that provide you with more ways to enjoy quality time with our vehicles. To live a comfortable and connected life where you enjoy the journey, not just the destination.

We also tailor our vehicles with features that meet the demands of our Canadian landscape, so you can take on our extreme winters and amazing summers in comfort and with confidence. And, of course, we back our vehicles with one of the best automotive warranties in the industry.

We do all of this because of you.
Stylish and efficient.

The stylish IONIQ offers you the choice between a hybrid or plug-in hybrid powertrain. Whichever you choose, with IONIQ, you get an extremely engaging driving experience, plus an efficient commuter vehicle.

Hybrid.
1 full tank
Up to 1,125 km total range

Plug-in Hybrid.
1 full charge + 1 full tank
Up to 47 km all-electric range
Up to 1,001 km total range

Canada’s most fuel-efficient car¹.
Driving fun with lower emissions, the IONIQ Hybrid is the most fuel-efficient car in Canada. At 4.0 L/100 km combined fuel economy, you can travel up to 1,125 kilometres on a single tank of gas¹.

Electric when you want it. Gas when you need it.
Enjoy the best of both worlds, with a larger lithium-ion polymer battery (compared to the Hybrid model) to provide up to 47 kilometres of all-electric, emissions-free driving².
Advanced aerodynamics.

An aerodynamic design that marries form with function, the IONIQ’s striking coupe-like silhouette creates a powerful first impression. Subtle details like the mesh-type grille with active air shutters that open and close enhance driving dynamics and efficiency.

Available LED headlights
Available 17" eco alloy wheels (available on Hybrid powertrain only)
Available LED tail lights
Standard two-tone bumper
Immerse yourself.

Set the mood with available interior ambient lighting — illuminating the cabin in blue for an added element of style and sophistication. With your comfort as priority, the standard heated front seats and available heated rear seats and heated steering wheel keep you warm on chillier days, while the available power sunroof lets you embrace an outdoor breeze during warmer seasons.

Simply stay connected.

Standard Apple CarPlay™ and Android Auto™ with available wireless connectivity lets you access your favourite mobile apps — music, maps, messages and more — seamlessly and safely through voice commands and the touch-screen display.

Shuffle through your songs and listen to your favourite playlist with the impressive sound quality of the available 8-speaker harman/kardon® premium audio system with Clari-Fi™ music restoration technology to help your compressed audio files sound clearer and crisper. And as your smartphone battery starts to get low, simply place it on the wireless charging pad*, no connecting cord required.
Bluelink® is our available connected vehicle system that conveniently keeps you connected with your Hyundai via the smartphone app and offers a suite of services at the press of a button. This innovative connected system gives you the ability to remotely lock/unlock and start your vehicle, adjust climate controls, keep track of your vehicle’s health with smart diagnostic tools and so much more.

Remote start with climate control

Accessories.

**Winter wheel and tire packages**
Winter tires have specialized rubber and tread to handle the cold temperatures resulting in better traction, handling and braking. Mount your tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

**Premium all-weather cargo tray**
Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

**Side visors**
Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom-made for your vehicle using high-quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

**Premium all-weather floor liners**
Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

**Multimedia device holder**
This multimedia device holder allows your backseat passengers to have in-seat entertainment using a mobile phone or a tablet device. It features 360° rotation to allow use in portrait or landscape layout, hands-free. The included mounting bracket easily fits to the headrest, and the device holder is removable when not in use.

**Door pocket clear film**
A clear protective film that lies behind the door handle to help prevent paint damage to this commonly scratched area.

**Side visors**
Complement your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom-made for your vehicle using high-quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.
